

# **PAINT PROJECT UPDATE**

**MONDAY, MARCH 16**

**BUILDING 7 STACK 1**

**BUILDING 5 STACK 7**

**(This includes units ending in 01 & 07)**

- **Shutters in Building 7 Stack 1 will be inspected on Monday, March 16 from 2pm-4pm.**
- **Shutters in Building 5 Stack 7 will be inspected on Tuesday, March 17 from 2pm-4pm.**
- The process will involve inspection, pressure washing, prep, and then paint for units whose numbers end in 01 & 07.
- All personal items located on your patio must be removed, including wall hangings, plants, and furniture.
- Screens must be removed from your windows but is not necessary for the sliders. We are not responsible for damage if left in place.
- Shutters should be left open while work is occurring.
- All personal belongings outside your front door or in the breezeway must be removed or may be damaged during the pressure washing of the front walkways.
- **Building 5 Stack 6** should also clear their balconies due to possible damage during pressure washing from neighboring stacks.
